Re: School Delay or Cancellation Procedures

Holy Family - Specialized Learning, Seville resides in the **NORTH HILLS SCHOOL DISTRICT**, therefore; if the **NORTH HILLS SCHOOL DISTRICT** has a **WEATHER-RELATED CANCELLATION** that is called **prior to 7:00 am** Holy Family - Specialized Learning, Seville will also cancel school for that day. If the **NORTH HILLS SCHOOL DISTRICT** cancels school **after 7:00 am** Holy Family - Specialized Learning, Seville will hold classes as normal.

If there are emergency circumstances that dictate school closure beyond circumstances indicated in the procedures described above, Holy Family – Specialized Learning staff will place phone calls, send e-mails (to those homes that have provided e-mail addresses), and post the announcement on the school website to inform parents/guardians and students of the status of the school day. This will only be done when necessary. Otherwise, the plan indicated in the first paragraph will apply.

Holy Family - Specialized Learning: Seville will list weather related cancellations on TV stations KDKA, WPXI and WTAE.

Please note:

Holy Family - Specialized Learning, Seville will **NOT** call a weather-related **two-hour delay**.
